My dear Assistant Commissioner:

I have learned of your retirement from the Royal Canadian Mounted Police, and I want to take this opportunity to express my appreciation to you for the assistance and cooperation you have furnished my associates over the years. We have long valued your support and will certainly miss the splendid relationship we have enjoyed with you.

All of your friends in the FBI join me in extending best wishes for continued success, and we hope that your future will be filled with every happiness.

Sincerely yours,

J. Edgar Hoover
